this port last Sunday with the mail troops at Yorktown, explains itself: cal freight, she had a quantity of flour, etc., for Cheboygan, which was transferred to the steamer Nashua. The Metropolis always gets in on time—that tering for a place in the military represe, sometime—but hardly ever, or rathesentation of this State at Yorktown has er, we should say comparatively seldom, been completed by the board of officers so that the citizens can get their mail appointed for that purpose.

Nothwithstanding the fact that the season has been a very dry one, and The schools in the Third ward com- crops have nowhere done as well as in menced on Monday of this week, and ordinary seasons, we hope that none of our farmers will be discouraged because their produce is not so large as in former years, but that they will collect the Island will be completed to-day, and best specimens they have, and place them on exhibition at the coming weeks from to-day.

The Superintendent of our schools, same time he enjoins upon them active Prof. J. W. Smith, in the midst of the and diligent work from now on, to the work of organizing the schools, has formed a class in orthography for the primary teachers. Thus, that elementric description of the condition tary but important branch, will be of the board of officers is published for did much toward putting out the fires taught in all the wards according to the benefit of the entire brigade: the woods in this part of the countries the same principles, which is very imthe same principles, which is very important. Prof. Smith, we trust, will general efficiency and zeal of both ofgive the teachers the newest and most approved system of orthography.

have been raging in woods in all parts of this county, doing great damage to vals duties of guides, and the great timber, but we have as yet heard of no one being burned out in this vicinity, except one family in the Polish settlement, who lost house, crops, stock, all, leaving them nothing but the clothing they were wearing. In a number of instances farmers have been compelled to turn out and fight the fire to save their buildings and crops. In Long Rapids the neighbors turned out and fought fire, and it was by hard work only that the residence of Mrs. Wm.

Nugent was saved from destruction. There is considerable complaint among the property owners of this city about the habit of the owners of cows the island, this week.

Under the new liquor law, which coes into effect on the 15th of this nouth, the penalty for getting drunk s both fine and imprisonment.
